

Gazing *into* the Political Future

Presented by

Dr. Michael Bitzer

COMMUNITY FORUM - OCTOBER 2010

Tuesday, Oct. 26 7:30pm

Both '06 & '08 were Democratic years.
Has the pendulum swung back to the Republicans?
Tea Party -- "party" or "movement?" Has it filtered into North Carolina?

Dr. Michael Bitzer, an Associate Professor of Political Science and History, and Chair of the Department of History & Politics, will present an overview of what the state and the nation experienced politically in 2008, what we could see in 2010, and what all this means for 2012.

Admission, as always, is free.
