

DISCOVER 2018: ROOTED AND GROUNDED IN LOVE

Thank you for joining us for Discover 2018! We hope and pray you left inspired to continue to grow in your faith in and understanding of God. Throughout the summer we did several projects at Black Lake: installed a compost bin, an herb spiral, and two raised bed gardens. To the right are some recent pictures from all of your hard work!

We are praying for you as you continue another school year with new challenges and new adventures. As you go through your daily lives, we continue to pray that you may know and share the love of Christ.

As our theme verse for the summer says, "I pray that, according to the riches of his glory, he may grant that you may be strengthened in your inner being with power through his Spirit, and that Christ may dwell in your hearts through faith, as you are being rooted and grounded in love. I pray that you may have the power to comprehend, with all the saints, what is the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge, so that you may be filled with all the fullness of God." Amen! Ephesians 3:16-19

PRAYER OF ST. FRANCIS

Lord make me an instrument of
your peace
Where there is hatred let me sow
love
Where there is injury, pardon
Where there is doubt, faith
Where there is despair, hope
Where there is darkness, light
And where there is sadness, joy...

Amen.

KEEP GROWING DEEPER IN YOUR FAITH: FIND A MENTOR

We hope that you left Discover feeling excited and motivated to keep growing in your faith. One of the best ways to continue to grow is to spend time with an adult mentor. We recommend someone from your home church or community who can meet with you on a regular basis. If you need

help identifying a mentor we would love to help you. We also have resources we can share to get you started in your mentoring relationship. As a start, look for someone you trust, who is invested in your growth, and who is willing to listen to you as you process where you are in your faith journey.
